

Casino Royale Event

Casino Royal...Will You Be Shaken or Stirred?

Take a seat at the table for this 'All Show, No Dough' experience, where real money never changes hands. First you will be introduced to the rules by professional croupiers, who will give you some of their expert tips, before you take your place in a game of poker with the other participants and battle it out to be champion!

As well as the poker and casino, why not theme the evening with appropriate décor in the venue and even fancy dress, all encompassing a memorable event for all. The poker experience could also be enhanced with a Manhattan styled cocktail reception, a close up magician who mingles with guests, caricaturist to capture faces, a fine cigar service, pickpockets, live music bands and canapés served throughout the evening. The evening would finish with a disco to end the event with a bang. The event can be tailored to suit any needs with exclusive venues arranged to suit a themed event e.g. 'Speak Easy' or 'James Bond'

This exciting event provides plenty of opportunity for the delegates to have fun and improve relationships within the group. Everyone will learn a new skill and have a great memory to look back on. The experience is perfect for:-
